

şky

Sky's design consists of a cubic aluminium frame that carries a curved, Softex-covered seat and features a rectangular, U-shaped arm- and backrest. This striking design highlight is available in either teak or aluminium and offers a pleasant feel through its slightly curved, hand-pleasing upper side.

Available in a dark or light colourway, Sky's subtle colour schemes, its minimalist aluminium frame and its all-round armrest in teak or aluminium make this chair a sure eye-catcher on every terrace and the perfect partner for elegant combinations with many table collections from solpuri.

About solpuri

solpuri - inspired by the sun "sol" and inspired by design "puri": Since 2006, solpuri designs and manufactures exclusive outdoor furniture by combining the energy of the sun with the clarity of successful design. The designs carry life outside to open up new, sensual living spaces there. Attention to detail, timeless and modern interpretations of legendary Bauhaus designs and a commitment to the highest levels of comfort and quality are the hallmarks of solpuri outdoor furniture. Each piece of furniture is made of the highest quality materials by using the most modern production techniques combined with traditional craftsmanship under strict consideration of a careful sustainable use of resources.
