SOLPURI OUTDOOR FURNITURE IN "ULTIMATE GREY" AND "ILLUMINATING"

Corbridge, United Kingdom – 14th December 2020 — The American Color Institute Pantone has just announced two colours - "ULTIMATE GRAY" and "ILLUMINATING" - as the new Pantone Colors of the Year 2021.

"The union of an enduring Ultimate Gray with the vibrant yellow Illuminating expresses a message of positivity supported by fortitude. Practical and rock solid but at the same time warming and optimistic, this is a color combination that gives us resilience and hope. We need to feel encouraged and uplifted; this is essential to the human spirit." Leatrice Eisemann, Executive Director of the Pantone Color Institute

Always on trend, solpuri's fabric collection also offers carefully chosen, beautiful grey tones for its lounge and dining collections – discover here how these can be accessorised in Illuminating to create a refreshing and spirit-invigorating outdoor living space.
