### Pantone Color of the Year 2024

On December 7th, 2023 the American Color Institute Pantone has announced the color „PEACH FUZZ“ as the new Pantone Color of the Year 2024:

„In seeking a hue that echoes our innate yearning for closeness and connection, we chose a color radiant with warmth and modern elegance. A shade that resonates with compassion, offers a tactile embrace, and effortlessly bridges the youthful with the timeless.“

Leatrice Eiseman, Executive Director  
Pantone Color Institute

solpuri offers many possibilities thanks to its diverse fabric collections and can thus accommodate that certain „pop of color“ in its lounge groups and dining furniture.
